

### Nomination Form

The Pomerantz Career Center Career Leadership Academy is an exciting opportunity for students to develop the employment and leadership skills that are currently in high demand from today’s employers, while earning academic credit. During this 4 semester academic credit bearing program, students will focus on career development and engage in informative seminars, activities and events designed to help them gain an edge as a leader, not in only in the world of work but in the classroom and their community as well.

In order to spread the word about this rewarding program, **we’re asking you to nominate a student** who you think would greatly benefit from enrolling in the Career Leadership Academy. The ideal candidate for the program would have the following qualities:

- They are a “leader in the rough.” We’re looking for students who are just beginning to recognize their employment and leadership potential, and thus would benefit from the opportunities associated with the Career Leadership Academy.
- They have at least 4 remaining semesters, in order to complete the program
- They will have sophomore status, or above, by the first semester of the Academy
- They have at least a 2.5 GPA

Once you have nominated a student, they will be contacted by the Pomerantz Career Center with a letter stating that you believe they have outstanding leadership and employment potential. It is our belief that your support of each nominated student will be imperative in helping them achieve success in their career of choice. Thank you for your support!
